At Mount Saint Agnes Academy we have a deep commitment to provide quality education to all students accepted. Our fundamental goal is to help each student reach his or her full potential. In order to do so, it is vital to fully understand and maintain a feasible balance of students' strengths and needs within each grade level based on our resources.

Therefore, during the application process parents are asked to provide a wide range of information about their child. We need to get to know their strengths, interests, and schooling experiences to date. We also require full disclosure of all relevant information pertaining to the applicant's physical, behavioral, and emotional state which may impact his/her learning experience.
